Dr. Shimizu, CEO of OUI Inc., Receives the Forttuna Global Excellence Awards 2024

On December 7, 2024, Dr. Shimizu, CEO of OUI Inc., was honored with the "Healthcare Leader of the Year - Japan" award at the Forttuna Global Excellence Awards 2024.

This award recognizes individuals and organizations that demonstrate outstanding leadership and innovation in health, wellness, and business. This year, over 350,000 applications were submitted. After a rigorous selection process, 94 winners were chosen.

Dr. Shimizu was recognized for his dedication to reducing global blindness by 50%. His efforts in developing and promoting our Smart Eye Camera (SEC) played a crucial role in receiving this prestigious award.

The award ceremony took place in Dubai, United Arab Emirates, bringing together over 150 participants from 47 countries, including global leaders and experts. Dr. Shimizu was the only Japanese awardee and took the stage to share insights on OUI Inc.'s initiatives and the future of vision care.

OUI Inc. has been committed to improving access to medical diagnostics in underserved regions, helping prevent blindness. Encouraged by this recognition, we will continue advancing its technology and strengthening international collaborations to provide better care to more people worldwide.

LET'S COLLABORATE! FEEL FREE TO CONTACT US!

Through our Smart Eye Camera, OUI Inc.'s vision is to reduce blindness in the world by 50% by 2025 by delivering appropriate diagnoses to patients who have not been able to receive eyecare. So far, we have conducted various pilot projects in more than 20 countries around the world, including Asia and Africa, in cooperation with local ophthalmologists, NGOs, medical institutions, and international organizations. The internationally recognized CE marking is expected to further increase the recognition and confidence in the Smart Eye Camera, not only in the European market but also in Asia and Africa. In our current corporate stage, the pilot projects are necessary to understand the obstacles of developing countries where our product may flourish to help the maximum number of people in need. That is why we ask for help, offer for future collaboration from all of you, our possible partner, to get the Smart Eye Camera delivered all across the globe to get the proper diagnoses and treatment that all people deserve!
