OUI Inc. Places Second at TIB PITCH GLOBAL and Presents at the 48th Annual Meeting of the Japanese Society of Ophthalmic Surgery

On January 30, 2025, two international interns of OUI Inc. secured the second place at "TIB PITCH GLOBAL," a global startup competition held at Tokyo Innovation Base. Competing against diverse teams from around the world, OUI Inc. was highly praised by judges for its clear vision, innovative technology, practical applications, and excellent presentation skills.

From January 31 to February 2, 2025, Dr. Shimizu, CEO of OUI Inc., gave two presentations at the 48th Annual Meeting of the Japanese Society of Ophthalmic Surgery in Pacifico Yokohama. In an invited instructional course, he discussed recent efforts by Japanese nonprofit organizations supporting ophthalmic surgeries in developing countries, sharing real-world examples and innovative techniques. In the general session, Dr. Shimizu presented a successful case from a cataract surgery volunteer program in Vietnam, highlighting significant visual improvements for patients following surgery.

OUI Inc. remains committed to advancing ophthalmic healthcare globally, expanding access to care in underserved regions, and continuing to develop and implement innovative technologies.

LET'S COLLABORATE! FEEL FREE TO CONTACT US!

Through our Smart Eye Camera, OUI Inc.'s vision is to reduce blindness in the world by 50% by 2025 by delivering appropriate diagnoses to patients who have not been able to receive eyecare. So far, we have conducted various pilot projects in more than 20 countries around the world, including Asia and Africa, in cooperation with local ophthalmologists, NGOs, medical institutions, and international organizations. The internationally recognized CE marking is expected to further increase the recognition and confidence in the Smart Eye Camera, not only in the European market but also in Asia and Africa. In our current corporate stage, the pilot projects are necessary to understand the obstacles of developing countries where our product may flourish to help the maximum number of people in need. That is why we ask for help, offer for future collaboration from all of you, our possible partner, to get the Smart Eye Camera delivered all across the globe to get the proper diagnoses and treatment that all people deserve!
