OUI Inc. Wins Third Place in Pitch Event at INSPIRE Health Forum 2025

OUI Inc. participated in the INSPIRE Health Forum 2025, held on July 8 and 9 at the Asian Development Bank (ADB) headquarters, in Manila, Philippines. The forum is the flagship event of ADB, aiming to strengthen health systems and promote universal health coverage (UHC) across Asia and the Pacific. It brought together government officials, healthcare startups, international organizations, and other key stakeholders.

During the event, OUI Inc. hosted a booth to showcase a live demonstration of our Smart Eye Camera. The device attracted strong interest from health officials and professionals, particularly from developing countries.

In addition, OUI Inc. took part in the elevator pitch event of the forum. On the second day, our COO Mr. Nakayama presented on behalf of the company and received third place in his category.

OUI Inc. will continue to engage with global health challenges and promote practical implementation of its technologies through international collaboration.

LET'S COLLABORATE! FEEL FREE TO CONTACT US!

Through our Smart Eye Camera, OUI Inc.'s vision is to reduce blindness in the world by 50% by 2025 by delivering appropriate diagnoses to patients who have not been able to receive eyecare. So far, we have conducted various pilot projects in more than 20 countries around the world, including Asia and Africa, in cooperation with local ophthalmologists, NGOs, medical institutions, and international organizations. The internationally recognized CE marking is expected to further increase the recognition and confidence in the Smart Eye Camera, not only in the European market but also in Asia and Africa. In our current corporate stage, the pilot projects are necessary to understand the obstacles of developing countries where our product may flourish to help the maximum number of people in need. That is why we ask for help, offer for future collaboration from all of you, our possible partner, to get the Smart Eye Camera delivered all across the globe to get the proper diagnoses and treatment that all people deserve!
